

	Genesis 3:20-24	
Understanding God's Mercy	20 The man named his wife Eve. ^[a] This is because she is the mother of everyone who ever lived. 21 The Lord God made clothes from animal skins for the man and his wife. And so the Lord dressed them.	How does Adam show his understanding of God's mercy?
Suffering Consequences for Disobedience	22 Then the Lord God said, "Look, the man has become like one of us. He knows good and evil. And now we must keep him from eating some of the fruit from the tree of life. If he does, he will live forever." 23 So the Lord God forced the man out of the garden of Eden. He had to work the ground he was taken from. 24 God forced the man out of the garden. Then God put angels on the east side of the garden. He also put a sword of fire there. It flashed around in every direction. This kept people from getting to the tree of life.	How does God give more assurance of His mercy? What good is there in people dying? What hope is there for the people who die?
	a. 3:20 Eve This name sounds like the Hebrew word meaning "alive."
